

Create Your Logo

A logo is a symbol or design that represents a company. In the boxes below, **create 2 different versions of a logo** for your business. This will give you options and help you be more creative. After you're done, color in the star of your favorite.

☆ OPTION 1

☆ OPTION 2

Create a Business Card

A business card is something you give to people you meet. Its purpose is to help people remember your business and know your contact information (phone number, e-mail address, website, etc.). Create your business card below.

TO INCLUDE

- Logo
- Slogan
- Company name
- Complete address
(city, state, zip)
- Phone number
- Fax number
- Email address
- Web page address
